Important Milestone Reached

The Municipality of Anchorage Project Management & Engineering and its consultant team, Lounsbury & Associates, are nearing completion of the design phase for a portion of the Spenard Road Reconstruction Project between Benson Boulevard and Chester Creek. Come to the 5th open house and culmination of 9 years of public process on the project to review the design, to find out the next steps for this project, and to provide your feedback to the project team. There will be no formal presentation— just stop by and visit with the project team.
