Spenard Road Reconstruction:

Minnesota Drive to the Minnesota Drive On-Ramp

MOA Project Number 03-21/ADOT&PF Project No. HRO-0001(172)/53986

The Municipality of Anchorage (MOA) and the Alaska Department of Transportation & Public Facilities (ADOT&PF) are beginning engineering and environmental studies for two road projects in midtown Anchorage. The projects will address needs for safety improvement, pedestrian, bike, and transit facilities, lighting and drainage.

The public is invited to a scoping meeting for each of the projects. Both meetings will be held in the same location on different evenings:
